Frenchville Walking Track

In the Outside School Hours Care program, we recognise and support physical activity being important for all healthy, growing bodies and minds.

Today we will be walking/running Frenchville walking track. There will be a few stops along the way to use the exercise equipment or participate in organised exercise drills by Mel. Bring your comfiest joggers and be ready for some serious fun.

We will finish at the park where we will have a play on the playground and venture down to the creek to see what exciting treasures we can find. Before we return to Skippy's for the afternoon, we will be treated to a delicious picnic lunch.

Let's celebrate!

Let's celebrate the last day of vacation care in style. Today will be a fun filled party with party food, a jumping castle and lots more.

We will finish the day by participating in a nerf gun war. Bring your nerf guns from home to participate in the fun.
